

# Seaside

EMU BAY

APRIL 2020

Thank you for registering your interest in receiving more information from Kangaroo Island's premier holiday and residential destination. There are many of you around Australia and we're keen to keep in touch during these difficult times. By all means let us know if you don't wish to hear from us but we hope you'll stay in touch with all that's happening on the Island as we recover from the Bushfires at the Western end and the constraints of C-19 outbreak.

## HELLO FRIENDS OF SEASIDE EMU BAY

Having had a holiday home at Emu Bay for the last forty years, we've been lucky to take our children, grandchildren and friends under our wing at Emu Bay during bad times as well as good. You can't help being buoyed by such a wonderful, tranquil and secluded location. Blue water, long walks along the bay, fishing off the beach, great views and nature all around are great for the soul.

We have NBN here at Emu Bay so our grandkids (who are with us now), have had no problem doing on line schooling and keeping entertained during the school holidays. Thank goodness we are safe and together. We are sure that as soon as C-19 is resolved, families, friends and visitors will all be back at Emu Bay for a much-needed break to restore their spirits.

We believe that Seaside Emu Bay will be a valuable part of the Island's recovery with its strong community of residents and holidaymakers: people who care about the good things in life, people who value quality time with their friends and family, and people who recognise Kangaroo Island as a unique refuge from the normal pressures of mainland life. After forty years at Emu Bay, we can certainly vouch for the way time spent here refreshes and reinvigorates.

We would, of course, love you to become a part of THIS community, whether you're an investor, holidaymaker or owner-occupier (you can be all three of course!), but perhaps that's a story for another time. We'd love to keep in touch with you to give you the latest on what's happening at Seaside Emu Bay and Kangaroo Island in general but remember that you can request information at any time via our website, [www.seasideki.com.au](http://www.seasideki.com.au)

Having the time to do things that are not in our normal "work life" is one upside of this time of social distancing and isolation. We've had the chance at last to experiment with the pizza oven in our Emu Bay shed and are turning out some wonderful Italian style bread, just perfect to go with great KI wine and seafood. Let us know if you'd like the recipe!

With very best wishes,

Caj & Genny Amadio  
Seaside Emu Bay

PS: For a closer look at Seaside Emu Bay, here's a short video recently featured on Adelady;
